

HELPING YOU GROW, EVERY TUESDAY

From our greenhouse to
your garden, let's make this
season bloom!

At Canoyer Garden Center, we're a small family business with a big love for gardening. As a new growing season begins, this newsletter is our way of reaching out personally, even if you can't visit the greenhouse every week. Consider it a friendly hello from our family to yours, sharing what we love about plants, gardens, and our community.

Smart tips for every season

We'll share easy-to-follow guidance that helps you know what to plant, prune, and plan—week by week. It's all about growing smarter, not harder.

What's happening at Canoyer

Stay in the loop on upcoming events, important dates, and in-store highlights from our Grimes and Ankeny locations. You'll always know what's new, what's blooming, and what you won't want to miss.

Plants worth planting

Each week we'll spotlight new arrivals and staff favorites that thrive in our region. Think trusted picks, fresh inspiration, and plants we're excited to grow alongside you.

FEATURED PLANTS WILL BLOOM HERE SOON

Even though our retail spaces are closed until March 1, the Canoyer greenhouses are already buzzing with life. Our first delivery of seedlings has arrived, and our team is hard at work planting, prepping, and getting everything ready for a fresh, vibrant season.

While there aren't featured plants to show just yet, this is just the beginning of what promises to be another beautiful growing season. We can't wait to share the blooms, tips, and inspiration with you, and we're excited to watch your gardens (and ours) come to life together!
