

A NEW SEASON AT GLASSHOUSE MARKET

Glasshouse Market is officially open for the season, and the shelves are filled with fresh finds ready to brighten your home. After months of planning and sourcing, the shop is refreshed, reimagined, and ready for spring. Stop in early—this space will continue to shift and evolve with the seasons.

Curated with purpose

All offseason, our team dives into markets and trends to thoughtfully curate a collection that feels new, fresh, and still right at home. Every piece is chosen to bring something unique into your space.

Midwest made and inspired

You'll find local Iowa brands alongside a wide range of Midwest makers. As a small, family-owned business ourselves, supporting others like us matters and there's just something special about that Midwest touch.

A season of color

This year, we're embracing color in every form. Vibrant, muted, and all the neutrals in between. Stop in this spring for florals, soft pastels, and décor that carries you right into Easter and beyond.

Fresh color, Midwest charm, and one-of-a-kind finds now in store!

AN IOWA FAVORITE, SCENTED FOR SPRING

Each spring, we're excited to welcome back Dirt Road Candle Co. to Glasshouse Market. Their products are handmade in Iowa and known for their signature scents that feel like home. You'll find our shelves fully stocked with their classic candle lineup along with the fresh spring collection, ready to bring light, warmth, and a little seasonal shift into your space.

Whether you're restocking a go-to favorite or trying something new for the season, you can shop the full assortment in store at Glasshouse Market while supplies last.
